

Medical Department Ajmer Division

Historical Background:

Divisional Railway Hospital Ajmer is one of the oldest Railway Hospitals of the Indian Railways; it was established in the year **1890**. Hospital provides modern Health care to **about 103224 Railway population** spread over a vast area of Rajasthan. There are **19272** Serving Employees and **26358** registered RELHS card holders in this Division.

- The Ajmer Division has **01 Divisional Hospital, 02 Sub Divisional Hospitals, 08 Health Units, 04 Lock Up Dispensaries & 02 First Aid Posts.**
- The Divisional Railway Hospital, Ajmer is 186 bedded Hospital having all specialties like: - General Surgery, ENT, Gynecology, Orthopedics, Ophthalmology, Urologist, Medicine, Pediatrics, Dentistry, Anesthesiology, Dermatology and Psychiatry.
- Medical Examinations, Family planning Education, Medical Campaigns/Camp, are also a part of regular activities. The Central Medicine Store for the Division is working in the DRH/AII. An Outsourced Kitchen is also available for cooking and serving of patient's Diet. One outsourced MPV ambulance with Drivers & Emergency Medical Technician (EMT), other Railway departmental ambulance with outsourced driver is dedicated here for transportation of patients. Laboratory, X-ray, Scanning are also in service. Casualty functions, round the clock, on all the days. Zonal Public Health Laboratory, own kind of laboratory in North Western Railway where, under quality control, food samples from all over the zone comes for analysis. A regular physiotherapist is also kept employed.
- Ajmer Division has sanctioned strength of 37 Medical Officers including 11 specialists in various fields who provide round the clock services to the railway beneficiaries. The Divisional Railway Hospital Ajmer is rendering all the above Medical facilities except Chest Physician. The above services are rendered in this Hospital by a Team of 12 Permanent Doctors, 6 Contract Medical, 4 HVS who care in the field of ENT, General Medicine, Gynecology, pathology and Radiology, 1 Case to case Consultant who providing his services in the field of Pediatrics and required surgeries also conducted on need basis. A part time Dentist is also working regularly. A Homeopathy Doctor is also available on the basis of Contract through Staff Welfare Fund. . Super specialty clinic is also running here for cardiology, Neurology, Oncology with the help of empanelled hospital doctors free of cost.
- Four visiting consultants from empaneled hospitals are conducting free super specialty OPD services here in Cardiology (every Tuesday), Oncology (every third Friday of month) and Neurology (every second and fourth Wednesday). One Railway urologist is also visiting this hospital on every Thursday, Friday & Saturday from central Hospital Jaipur.
