

Medical Department Ajmer Division

Historical Background:

Established in 1890, the Divisional Railway Hospital, Ajmer, stands as one of the oldest healthcare facilities within the Indian Railways. This hospital is committed to providing modern healthcare services to approximately 103,224 railway beneficiaries residing across the extensive region of Rajasthan. The Ajmer Division encompasses 13,639 serving employees and 29,003 registered RELHS (Railway Employees Liberalized Health Scheme) cardholders.

Healthcare Infrastructure:

The Ajmer Division boasts a comprehensive healthcare network comprising:

- 01 Divisional Hospital
- 02 Sub Divisional Hospitals
- 08 Health Units
- 04 Lock-Up Dispensaries
- 02 First Aid Posts

The Divisional Railway Hospital in Ajmer is a 166-bed facility equipped with specialized departments including: General Surgery, ENT (Ear, Nose, and Throat), Gynaecology, Orthopaedics, Ophthalmology, Urology, General Medicine, Paediatrics, Dentistry, Anaesthesiology, Dermatology, and Psychiatry.

Services and Activities:

Beyond routine medical care, the hospital actively conducts:

- Medical Examinations
- Family Planning Education
- Medical Campaigns and Camps

The Central Medicine Store for the entire division is strategically located within the Divisional Railway Hospital, Ajmer. To ensure patient well-being, an outsourced kitchen provides nutritious meals tailored to their dietary needs. For efficient patient transportation, the division operates an outsourced MPV ambulance with dedicated Drivers and an Emergency Medical Technician (EMT), alongside a Railway departmental ambulance with an outsourced driver. Essential diagnostic services, including a Laboratory, X-ray, and Scanning facilities, are readily available. The Casualty department functions round the clock, every day of the week.

Notably, Ajmer houses the Zonal Public Health Laboratory, a unique facility within the North Western Railway. This laboratory plays a crucial role in quality control by analyzing food samples received from across the entire zone. A full-time physiotherapist is also employed to aid in-patient rehabilitation. Furthermore, an Outsourced Road Mobile Medical Van (RMMV) extends preventive and promotive healthcare services to railway beneficiaries residing in remote and far-flung areas of the Ajmer Division.

Medical Professionals:

The Ajmer Division has a sanctioned strength of 34 Medical Officers, including 13 specialists in various fields, ensuring continuous medical coverage for railway beneficiaries. The Divisional Railway Hospital, Ajmer, offers a wide spectrum of medical facilities, with the exception of a dedicated Chest Physician. These services are delivered by a dedicated team comprising 22 permanent doctors, 12 Contract Medical Officers, and 7 Honorary Visiting Specialist (HVS) out of a sanctioned strength of 11. These HVS provide crucial care in Cardiology, ENT, Gynaecology, Pathology, and bio-chemistry. Additionally 06 case-to-case Consultants are also providing services in the form of surgeries as & when required. A part-time Dentist provides regular dental care. A Homeopathy Doctor is also available on a contractual basis through the Staff Welfare Fund.

Recognizing the importance of specialized care, a Super Specialty Clinic operates within the hospital, offering free consultations in Neurology, and Oncology by doctors from empanelled hospitals.

Super Specialty Outreach:

To further enhance access to specialized medical advice, 02 visiting consultants from empanelled hospitals conduct free Super Specialty OPD (Outpatient Department) services:

- **Oncology:** Every third Friday of the month
- **Neurology:** Every second and fourth Wednesday

Furthermore, a Railway Urologist from Central Hospital, Jaipur, attends this hospital every Thursday, Friday, and Saturday & performs surgeries also.
