Ref: (i) All Division's e-file no.203070 dated 25-09-2024.

(ii) Railway Board's letter no. TCR/1618/2021/STS Policy /3364586 dtd 03.06.2022&

clarification / addendum/ corrigendum thereto .

In terms of instructions contained in the Rates Circular cited above, competent authority (General Manager / NWR) has accorded approval for grant of 20(Twenty)% freight

concession to M/s Ultra Tech Cement Limited on incremental loading of Clinker for a period of 3 years under Station to Station Rates Scheme from UNCK of Ajmer division to TRNA of BRC division of Western Railway. The Concession period will be effective for 03 years from 1st September 2025 as mutually agreed.

The above concession is subject to fulfillment of the following conditions:

- a) Concession will be granted on crossing all the yearly benchmark NTKMs as decided by All division. Concession under STS shall be given from the next 'RR' after the Benchmark NTKM has been crossed. Division shall be fully responsible to see that only Clinker is considered for concession under the STS and they have to ensure it.
- b) The benchmark may be reviewed as and when required.
- c) It needs to be ensured that the grant of concession under Station to Station Rates in this O-D pair (UNCK-TRNA) should result in the overall increase of the NTKMs/ freight earning from the loading of Clinker traffic from UNCK.
- d) While allowing concession under STS, it should be ensured that the concessional freight should not be less than Normal Tariff Rates (NTR) of class-100 for this O-D pair.
- e) No other concession should be allowed concurrently with Station to Station Rates in terms of Para 3.3 of RC 15 of 2022, except 6% concession granted for traffic to and from NE region.
- f) Operationalization of STS concession with the above condition and terms of relevant STS policy to be updated in the TMS module of FOIS and necessary provision to be made in MIS Reports by Ajmer division.
- g) GST components will be applicable as per prevailing rates.
- h) All extant rules on STS, tariff, classification etc shall be applicable.
- i) Ajmer division should ensure signing of proper agreement before grant of STS concession. While entering into the agreement it should be ensured that NTKM for previous full 12 months are confirmed and fed in the system.
- j) A close watch should be kept by Ajmer division to ensure that the STS concession is available strictly in accordance with the policy guidelines.

All extant instructions on this subject be complied with.

With reference to above subject, Railway Board vide letter under reference (i) had granted approval to M/s UltraTech Cement Limited, customer code -UTCL for procurement of 02 BOXNHL rake and (02) Brake Van under General Purpose Wagon Investment Scheme (GPWIS).

As advised by Sr. DCM-All vide letter at reference (iv) and W.Rly vide reference (5), the customer has procured and handed over list of 01-BOXNHL rake consisting 61 wagons +01 Brake Van at Sambhupara (SMP) on 29.10.2025, manufacturing by M/s TEXMACO RAIL & ENGINEERING Limited (TREL). The details of BOXNHL wagons is enclosed as Annexure-1.

Approved circuit for movement of this rake is as under: -

Circuit-II- One (01) Rake

No. & Type of Rakes	Rake ID	From Station	To Station	Loaded/ Empty
61 BOXNHL	RK-UTCL-BOX-11	UNCK	UNCB/UTCJ/VBCG/SVL	Loaded
		UNCB/UTCJ/ VBCG/SVL	UNCK	Empty

- The subject rake will not be merged in IR's pool of wagons and distinctly indicated through a colour scheme. The rake so indicated shall run on aforementioned circuits only.
- M/s UltraTech Cement Limited have acknowledged and agreed that the wagon maintenance charge shall be @ 2% of the "current capital cost" of procurement of wagons. The 'current capital cost' shall be updated time to time as per extant policies of Railway Board. The current policy for arriving at current capital cost is as defined in Railway Board's letter No.2010/AC-III/34/Pt.II/MIL-RAIL dated 17.06.2015 and No. 2015/M(W)/814/18 dated 07.12.2015. The GST and other taxes applicable on maintenance charges shall be payable extra as per applicable rate. The party shall directly deposit these taxes under reverse Charge Mechanism to Government directly under intimation to Railway Administration.

M/s UltraTech Cement Limited shall have to pay the said amount in advance on quarterly basis to Railway by 07th of first month of the quarter. If payment is not received by the Railway administration within the due date, then the party shall be liable to pay interest @12% per annum from the first day of the quarter till the actual day of realization.

- The maintenance of the wagons will be done by Railway at Shambhupura (SMP/WR) with the condition that rakes will be interchanged in these circuits for examination point of view vide Railway Board's letter No. 2018/TC(FM)/4/21 dated 27.12.2023 on payment as per agreement executed with the party by Railways.
- Freight Concession under GPWIS:
 - Under GPWIS, M/s UltraTech Cement Limited is eligible to get a freight rebate of 10% on the base freight rate prevailing at the time of booking, ordinarily for period of 15 years.

- b. Freight rebate of 10% on such loaded wagons will be granted ordinarily for a period of 15 years. Such freight rebate shall not exceed the lease charges payable by IR to IRFC for procurement of such wagons during the first fifteen (15) years of the lease agreement between IR and IRFC for leasing of rolling stock. In case, the investment is recovered in a period less than 15 years stipulated above, the freight rebate shall cease from the exact date of full recovery. However, if the investor is unable to recover his original investment, then the period of rebate shall be extended till the recovery of capital cost of investment.
- c. In case loading in the empty direction is done by the party, they shall be granted freight rebate of 10% on the base freight of that commodity as specified in para no. 3.3.1 of agreement. This freight rebate will be granted only when the rake moves in loaded condition in the approved circuit.
- d. GST and taxes on services other than those covered under "transportation by rail", shall be paid through Reverse charge Mechanism by the party directly as per Central/State Government notification/extant rules. Railway administration will not be liable for any tax default by the party.
- e. When the rake is loaded in the empty direction by Railway as per Para 5.13.1 of the GPWIS Agreement, an amount equivalent to 10% of the base freight will be credited to 'Deposit miscellaneous' account specially created under a separate head for GPWIS repayment.
- f. When the freight is paid by either Consignor or Consignee permitted by Indian Rly. who is not party to the Agreement under GPWIS with the Indian Railways (but permitted by Rly), then the rebate equivalent to 10% of the base freight will be credited to 'Deposit miscellaneous' account specially created under a separate head for GPWIS repayment. The payment of such amount shall be made to the party directly based upon a quarterly reconciliation. The GST amount on above repayment shall be the responsibility of the party, who will deposit a copy of payment of GST with the Zonal Railway.
- g. The party shall be responsible to pay all charges and surcharges, fee, cess, duties, taxes etc. as payable on the basis of notification issued by the Central and State Governments from time to time.
- h. M/s UltraTech Cement Limited to ensure access to an acceptance of train consisting of party's GPWs into each of the private terminals from where such train is originating and terminating prior to the dispatch of such train as per Para 7.1.16 under Article-7 of the agreement.
- i. Railway shall levy Stabling charges as per rates notified by Railway Board from time to time when rolling stock belonging to the party is stabled on account of party on IR network.
- j. In case where GPWIS rake is detained in private terminals (Port, CIL Sidings etc.) beyond the permissible free time, causing detention to other rakes in line to enter the terminal, detention charges as notified by Rates Branch from time to time, shall be levied even though rake is private and terminal being used is a non-railway terminal.

- k. The subject BOXNHL rake will be governed by **GPWIS agreement executed between this Railway and M/s UltraTech Cement Limited on 18th May, 2023 & Rider agreement executed on 30th October, 2025** and GPWIS policy issued by Railway Board's FM Master Circular/ GPWIS/2018/0 dated 26.04.2018 and corrigendum/addendum thereto issued by Railway Board from time to time.
- l. CGS- Incharge of concerned loading/unloading points shall maintain separate record pertaining to each movement of GPWIS rakes of M/s UltraTech Cement Limited (customer Code-UTCL).

All relevant rules, terms and conditions of the agreement shall be applicable

This has the approval of PCCM and PCOM

All concerned to take note and act accordingly.

4. Freight Concession under GPWIS:
 - a. Under GPWIS, M/s UltraTech Cement Limited is eligible to get a freight rebate of 10% on the base freight rate prevailing at the time of booking, ordinarily for period of 15 years.
 - b. Freight rebate of 10% on such loaded wagons will be granted ordinarily for a period of 15 years. Such freight rebate shall not exceed the lease charges payable by IR to IRFC for procurement of such wagons during the first fifteen (15) years of the lease agreement between IR and IRFC for leasing of rolling stock. In case, the investment is recovered in a period less than 15 years stipulated above, the freight rebate shall cease from the exact date of full recovery. However, if the investor is unable to recover his original investment, then the period of rebate shall be extended till the recovery of capital cost of investment.
 - c. In case loading in the empty direction is done by the party, they shall be granted freight rebate of 10% on the base freight of that commodity as specified in para no. 3.3.1 of agreement. This freight rebate will be granted only when the rake moves in loaded condition in the approved circuit.
 - d. GST and taxes on services other than those covered under "transportation by rail", shall be paid through Reverse charge Mechanism by the party directly as per Central/State Government notification/extant rules. Railway administration will not be liable for any tax default by the party.
 - e. When the rake is loaded in the empty direction by Railway as per Para 5.13.1 of the GPWIS Agreement, an amount equivalent to 10% of the base freight will be credited to 'Deposit miscellaneous' account specially created under a separate head for GPWIS repayment.

- f. When the freight is paid by either Consignor or Consignee permitted by Indian Rly. who is not party to the Agreement under GPWIS with the Indian Railways (but permitted by Rly), then the rebate equivalent to 10% of the base freight will be credited to 'Deposit miscellaneous' account specially created under a separate head for GPWIS repayment. The payment of such amount shall be made to the party directly based upon a quarterly reconciliation. The GST amount on above repayment shall be the responsibility of the party, who will deposit a copy of payment of GST with the Zonal Railway.
- g. The party shall be responsible to pay all charges and surcharges, fee, cess, duties, taxes etc. as payable on the basis of notification issued by the Central and State Governments from time to time.
- h. M/s UltraTech Cement Limited to ensure access to an acceptance of train consisting of party's GPWs into each of the private terminals from where such train is originating and terminating prior to the dispatch of such train as per Para 7.1.16 under Article-7 of the agreement.
- i. Railway shall levy Stabling charges as per rates notified by Railway Board from time to time when rolling stock belonging to the party is stabled on account of party on IR network.
- j. In case where GPWIS rake is detained in private terminals (Port, CIL Sidings etc.) beyond the permissible free time, causing detention to other rakes in line to enter the terminal, detention charges as notified by Rates Branch from time to time, shall be levied even though rake is private and terminal being used is a non-railway terminal.
- k. The subject BOXNHL rake will be governed by **GPWIS agreement executed between this Railway and M/s UltraTech Cement Limited on 18th May, 2023 & Rider agreement executed on 30th October, 2025** and GPWIS policy issued by Railway Board's FM Master Circular/ GPWIS/2018/0 dated 26.04.2018 and corrigendum/addendum thereto issued by Railway Board from time to time.
