FOREWORD

With a view to handling disasters in a more coordinated and efficient manner, the Disaster Management Act, 2005 was promulgated. Prior to the enactment of this Act, the Railways' preparedness for disasters was largely confined to the management of train accidents and emergencies related to track formations such as breaches and floods. However, in the present scenario, the concept of disaster management has expanded significantly and disasters are no longer limited to train accidents alone.

There has been a paradigm shift in the Government of India's strategy for disaster management- from a reactive approach of rescue, relief, rehabilitation and recovery to a comprehensive and proactive framework emphasizing prevention, mitigation, mainstreaming, capacity building and response preparedness. In accordance with the provisions of the Disaster Management Act, 2005 the Railways share their resources with various Government departments, Non-Government Organizations (NGOs) and other agencies to ensure effective and expeditious disaster response.

The Disaster Management Plan is a vital document that outlines the policies, procedures, duties and responsibilities of all concerned resources, including On-board staff, Railway staff and Local manpower from nearby areas. Swift mobilization and prompt response by all stakeholders- such as Civil Defence, Territorial Army, Scouts and Guides, Railway Protection Force, Track maintainers, On-board Railway staff, Civil Authorities, NDRF, NGOs and Army organizations outside the Railways- form the backbone of an effective disaster management system.

Part-II of the Disaster Management Plan-2023 of North Western Railway has been updated with the latest information on available resources, along with contact details of key personnel from Neighboring Railways, Civil Administration, Central Police Organizations, Military, NDRF/SDRF, NGOs and important Private Organizations. These agencies play a crucial role in ensuring preparedness, quick mobilization and rapid response during disaster situations.

I urge all officers and staff to carefully go through this updated Disaster Management Plan-2026 document and familiarize themselves with the various aspects of Disaster Management, so as to ensure a high level of preparedness for dealing with any disaster in an effective and timely manner.

FOREWORD

The Government of India enacted the Disaster Management Act in 2005, ushering in a paradigm shift from a relief-centric approach to a comprehensive framework emphasizing proactive risk reduction, preparedness, and effective response.

In this spirit, the Disaster Management Plan-2023 of North Western Railway was prepared in two parts: Part-I, covering disaster management infrastructure, duties and responsibilities, and site management and Part-II, containing updated contact details of important agencies. The plan incorporates the latest guidelines of NDMA, Railway Board instructions, Hon'ble Prime Minister's 10-Point Agenda, SOPs on fire accidents, precautions for handling hazardous chemicals and preventive and mitigation measures.

To ensure effective preparedness and prompt response, Disaster Management Plan-2023 has been updated with current resource details and contact information of Neighboring Railways, Civil Administration, Central Police Organizations, Military authorities, NDRF/SDRF, NGOs and key Private Organizations.

I gratefully acknowledge the guidance of Sh. Amitabha, General Manager and appreciate the dedicated efforts of DyCSOs, SrDSOs/ADSOs, and Safety Counselors in bringing out this edition.

This updated Disaster Management Plan-2026 does not supersede the provisions of the G&SR, Accident Manual and Disaster Management Act-2005. It will be available in Electronic form on the Safety Management Information System and the official website of NWR with limited hard copies. Suggestions for improvement are welcome.

सन्त राम मीना
(Pr. Chief Safety Officer/NWR)

CHAPTER-1

HEADQUARTER DISASTER MANAGEMENT CELL

1.0 Functioning of Disaster Management cell:

The Disaster Management monitoring cell will operate at HQ and shall be attended by nominated officers of Operating, Commercial, Civil Engineering, S&T, Mechanical, Electrical, Medical and Store department.

Contact details:BSNL no. 0141-2725806

Railway telephone no. 095-25680/25681

1.1 Safety department:

The Officer representing Safety Department shall co-ordinate the functioning of Disaster Management cell. He shall report the accident to Railway Board/ CRS/ GM and update the restoration details from time to time. He shall also monitor ordering of Relief Train for evacuation of involved passengers from the site of accident. The officers attending the Disaster Management cell shall obtain the full details of the accident from Divisional Control/Site of accident and shall monitor the movement of Breakdown Train and Relief Train. Top-most priority is to be given for rescue and relief operations, for transferring the injured passengers from the site of accident to the nearest hospitals and for sending medical aid from Civil/Military/ Private Hospitals.

1.2 Medical department:

The Officer representing Medical Department shall ensure utmost medical care and attention to the injured passengers. He shall ensure all medical assistance from the nearby resources. He shall obtain all details regarding casualties/injuries to passengers involved in the accident and shall maintain liaison with the Accident Site / Referral Hospitals and Dispensaries' and shall consolidate the list of injured/ casualties in minimum time so that the same can be faxed to concerned station/division for display in Emergency Control and Emergency Information Booths.

1.3 Commercial department:

The Officer representing Commercial Department shall ensure ordering of refreshment for the passengers of involved train, payment of ex-gratia to the injured and to the next-of-kin of the dead passengers, arrange for transshipment of goods and passengers, luggage, and hire private buses for transport of passengers from site of accident to the nearest Rail Head. He shall also ensure transmission of detailed information regarding injured/casualties to originating/destination stations, to railway Board, and to Headquarters of the originating/destination Railways. He shall also ensure opening of Emergency Information Booths at important Junction stations en-route within the Railways.

1.4 Operating department:

The Officer representing Operating Department shall manage relief and restoration operations at headquarters level. He shall record all events related to the accident chronologically. He shall ensure regulation and diversions of trains keeping in view the likely time of restoration at accident site. He shall ensure that the passenger carrying trains are regulated at such

stations where water and catering facilities are available. He shall also monitor the ARTs / ARMEs / Labour Special trains ordered from the adjoining divisions and Zones.

1.5 Mechanical department:

The Officer representing Mechanical department shall monitor and assess the requirement of additional Medical Vans/Breakdown trains and shall liaison with adjoining Railway/ Division for ordering the same. He shall also monitor the movement of breakdown trains.

He shall obtain the details of rolling stock involved in the accident. He shall obtain the restoration details regarding re-railment/toppled wagons/coaches done by each individual Breakdown Train. He shall obtain the bio-data of the crew involved in the accident, if any.

1.6 Engineering department:

The Officer representing Engineering Department shall obtain the information regarding damage to track and shall ensure ordering of material train if required. The details of track structure and relevant details such as USFD particulars, last inspections, profile of the track etc. shall be obtained within minimum time. He shall organize ordering of additional Labour & Material Specials as per requirement at site, from the adjoining divisions/Zones.

1.7 Electrical department:

The Officer representing Electrical Department shall obtain the details of extent damage to OHE/Loco. He shall obtain the bio- data of crew involved in the accident. He shall assess the requirement of additional material at the site and shall organize movement of Tower Wagon/ Material-Special to site of accident.

1.8 S&T department:

The Officer representing S&T Department shall ensure efficient communication. A line should be dedicated for the emergency transmission from site of accident/division control to Disaster Management Cell at HQ. He shall ensure installation of Satellite phone & BSNL Phone/Railway Phone at the site of accident involving passenger train. He shall obtain the details of S&T gears involved, if any, in the accident.

1.9 Security department:

CSC/Dy.CSC will monitor crowd management and co-ordinate with State Police for maintaining law and order. He will ensure protection of the belongings of affected passengers and render every assistance to them, Maintain and protect railway properties during public agitation, maintain liaison and coordination with Army/Paramilitary forces for assistance.

1.10 Liaison with Railway Board:

Disaster Management Cell will maintain constant liaison with Emergency Cell, Safety Directorate at Railway Board regarding following activities:

- i. Movement of additional ARMEs and ARTs from adjoining Zones.
- ii. Movement of additional diesel powers from adjoining Zones.
- iii. Diversion, Regulation, Short termination, Cancellation and Rescheduling of Mail/Express trains.
- iv. Arrangement of men and material as required from adjoining Zones and their expeditious movement.
- v. Opening of Helpline Enquiry Booths on other Zonal Railways as follows:
 - Originating and destination stations of the accident involved train.
 - All junction stations falling on the route of the train.
 - Divisional HQ of originating and terminating Divisions.
 - Zonal HQ of originating and terminating Zonal Railways.
 - Any other station as may be decided.

- vi. Movement program for visit of MR/MoSR, Chairman & CEO and other Board Members to the accident site.
- vii. Assistance required from NDRF, Defence, Para-Military organizations, State Governments should be conveyed to Railway Board who shall coordinate the same.
- viii. 3 hourly progress report on the rescue and relief work shall be communicated to Safety Directorate's Emergency Cell at Railway Board.

1.11 Quick Response Team of NWR:

There is a high-level monitoring committee at Zonal headquarter called as Quick Response Team (QRT) of NWR, JP comprising of:

S. No.	Designation	Nominated as
1	Additional General Manager	Convenor
2	Pr.Chief Operating Manager	Alt. Convenor / Member-1
3	Pr.Chief Commercial Manager	Member-2
4	Pr.Chief Mechanical Engineer	Member-3
5	Pr.Chief Electrical Engineer	Member-4
6	Pr.Chief Engineer	Member-5
7	Pr.Chief Signal & Tele. Comm. Engineer	Member-6
8	Pr.Chief Safety Officer	Member-7
9	Pr.Chief Security Commissioner	Member-8
10	Pr. Chief Medical Director	Member-9
11	CPRO	Member-10

For effective handling of Crisis on NWR **Zonal Level Crisis Management Group (ZMG)** comprising of following officers has been formed.

Designation	Office telephone	Mobile
AGM/ Convenor	2725604	9001195001
PCE - Alt. Convenor	2725871	9001195200
PCSC	2725808	9001195700
PCPO	2725925	9001195600
PCOM	2725900	9001195900
PCME	2725895	9001195400
PCEE	2725865	9001195300
PCSTE	2725821	9001195800
PCSO	2725920	9001195910
PCCM	2725820	9001195950
PCMD	2725905	9001195500
CPRO-Liaison Officer	2725803	9001195006

The Zonal Level Crisis Management Group will assemble in the Disaster Management Room of the Zonal Railway Headquarters and will stay in touch with CMG (Central Management Group) as defined in Crisis Management Plan circulated by Railway Board.

1.12 Quick Reaction Team (Multi-Disciplinary team) of Division:

Vide Railway Board letter no. 2010/Safety (A&R)/1/11 dated 14.6.2013, Quick Reaction Team (Multi-Disciplinary team) of Division shall be headed by ADRM of the division in which accident has taken place.

1.13 Nodal officer at Railway Board:

As per Mechanism for flow of information from the Site of Accident to State/Central Government, the Ministry of Railway has Nominated Executive Director, Mechanical Engineering/Safety as the Nodal officer to provide information about any incident pertaining to Ministry of Railways.

Executive Director, Mechanical Engineering/Safety.

Room No.419A, Rail Bhawan

New Delhi-110001

Phone No. 011- 23047428

CHAPTER-2

REPORTING OF ACCIDENTS

2.0 Reportable train accidents:

All accidents falling under the purview of Section 113 of the Railway Act 1989 are termed as reportable train accidents and include following: -

- (a) any accident attended with loss of any human life or with grievous hurt.
- (b) any collision between trains of which one is a train carrying passengers or
- (c) the derailment of any train carrying passengers or of any part of such train or
- (d) Accidents which are attended with loss of human life in passenger trains involving train wrecking, or attempted train wrecking, cases of running over obstructions placed on the line, or passengers falling out of train or of fire in trains, or grievous hurt as defined in the Indian Penal Code, or serious damage to railway property of the value exceeding rupees 2 Crore, if the damage to the Railway property exceeds Rs.2 Crore, which may not have actually occurred but by the nature of the accident might reasonably have been expected to occur, the accident is required to be reported to the CRS under section 113 and 114 of the Railway Act, 1989 for holding of an inquiry or otherwise and also cases of landslides or of breaches by rain or flood which caused interruption of any important through line of communication for at least 24 hours.

2.1 Telephonic Report to the Railway Board:

- (A) In case of following categories of accidents, a telephonic advice should be relayed to nominated officer in Railway Board office immediately after the accident –
 - (i) All Consequential train accidents.
 - (ii) Any yard accident having serious repercussion on movement of traffic on through/main line resulting in dislocation of traffic more than the threshold value as indicated in Para-107 of The Railway Act, 1989 as **“An application for compensation for loss, destruction, damage, deterioration or non-delivery of goods shall be filed against the railway administration on whom a notice under section 106 has been served”**.
 - (iii) Landslides, breaches, OHE, breakdown, etc. which resulted in dislocation of traffic more than the threshold value as indicated in para 107.
- In addition to this, periodic (monthly) statement of accidents in all categories shall be submitted to Railway Board in prescribed proforma.
- (B) The advice to the Board will be given by the Dy.CSO (Tfc.) /Dy.CSO (Mech.)/ Dy.CSO(S&T)/ Dy.CSO (Engg.) Dy.COM (Safety & Rules), STM (Rules). In their absence, the Dy. Chief Controller on duty in the Emergency Control Office shall give the advice to one of the following officers of the Railway Board in order of priority as indicated below: -

1. Safety Cell
2. Ex. Director/Safety (Traffic)
3. PED/Safety
4. Ex. Director/Safety (S&T)
5. Ex. Director/Safety/EE
6. Ex. Director/Safety (Civil)
7. Ex. Dir. Mechanical Engg/Safety
8. Dy. Director/Safety/A&R-I

Information should be conveyed promptly. If officer asked is not available, officer next in the list should be asked for to avoid delay in circulation of information.

Depending on the seriousness of the accident, in addition to informing Safety Cell in the Railway Board by Emergency Cell, respective PHOD may speak to concerned Members / AM's / PEDs Railway Board.

(C) Following system will be followed for reporting of accidents to Railway Board-

- a) Information regarding consequential train accidents or any yard accident, leading to serious repercussion shall be reported by Divisional Control to HQ Emergency Control of Zonal Railway Headquarters. Emergency Control shall in turn inform all concerned at Headquarters office including GM, PHODs, etc.
- b) In case of accidents as in Para (a) above, Principal Chief Safety Officer / Dy.CSO(Tfc.) /Dy.CSO(Mech.)/ Dy.CSO(S&T)/ Dy.CSO(Engg.) should thereafter inform nominated officer of Safety Directorate of Railway Board. At Board level, Safety Directorate shall issue the message and take follow up actions.
- c) In case of landslide, breaches, OHE break down, etc. which result in dislocation of more than threshold value and also cases due to public agitation shall be reported by Headquarters Control Office to punctuality cell of Railway Board and dealt with by the Coaching Directorate.
- d) Cases falling under N, P and Q except Q-6, i.e. blockade of train services due to public agitation, shall be dealt with by Security Directorate.

2.2 Report to Civil Authority: Report to Local Authorities-

- (a) In the case of the following types of accidents, a report must be sent by the Divisional Railway Manager to the State Government concerned:
 - i. Collision between trains of which one is a passenger train.
 - ii. Derailment of any train carrying passengers or part of such a train.
 - iii. Train wrecking or attempted train wrecking involving passenger train.
 - iv. Fire in passenger train.
 - v. All cases of trains running into road traffic at level crossing gates.
 - vi. Passenger train running over obstruction placed on the line other than those stated in (iii) to (v) above.
 - vii. Landslides or breaches by rain or flood which cause interruption of any important through line of communication for at least 24 hours.
 - viii. Any other category of train accidents not covered above but which are attended with loss of human life or with grievous hurt as defined in **section 116 of B.N.S. or with serious damage to Railway property**. Section 116 of the Bharatiya Nyaya Sanhita (BNS) defines "grievous hurt," outlining specific injuries that are considered serious and potentially life-altering. The following kinds of hurt only are designated as "grievous", namely:

(a)	Emasculation
(b)	Permanent privation of the sight of either eye
(c)	Permanent privation of the hearing of either ear
(d)	Privation of any member or joint
(e)	Destruction or permanent impairing of the powers of any member or joint
(f)	Permanent disfiguration of the head or face
(g)	Fracture or dislocation of a bone or tooth
(h)	Any hurt which endangers life or which causes the sufferer to be during the space of fifteen days in severe bodily pain, or unable to follow his ordinary pursuits

- (b) The officials to be advised are indicated below: -

Sr.	State	Official
1	Punjab	The Home Secretary, Govt. of Punjab, Chandigarh.
2	Rajasthan	The Home Secretary, Govt. of Rajasthan, Jaipur.
3	Haryana	The Home Secretary, Govt. of Haryana, Chandigarh
4	Gujarat	The Home Secretary, Govt. of Gujarat, Gandhi Nagar

(c) **Report to State Government:**

- (i) The General Manager will report to the local Government concerned all cases of serious accidents to train which occur in the course of working of the Railway and are accompanied by or are of a nature usually accompanied by loss of human life or grievous hurt or serious damage to property or serious interruption to traffic.
- (ii) These reports will be in the form of express letter issued to the official indicated in Para (b).

(d) **Report to District Magistrates:** The Divisional Railway Manager will report all cases of serious accidents to trains which occur in the course of working of the Railway and are accompanied by or are of a nature usually accompanied by loss of human life or grievous hurt or serious damage to property or serious interruption to traffic in which enquiries have been held. The report will reproduce the précis, findings and recommendations, if any, contained in the proceedings of the Inquiry Committee. In case, however, a judicial inquiry is being held, a copy of the evidence also shall be supplied. The action proposed to be taken and the names of persons, if any, proposed to be prosecuted must also be given.

2.3 **Report to Military Authorities:** When serious interruption to traffic as defined in Chapter-I is expected as a result of any accident, the Divisional Railway Manager must send a report to:

- (i) Milrail, New Delhi.
- (ii) The Movement Control Detachment concerned.
- (iii) The Headquarters Movement Control Group.
- (iv) Army Headquarters, Quarter Master General's Branch (Q)/MOV S.I.).

This report must state when communication is likely to be restored and whether transshipment of passengers is possible.

Cases of accidents falling under K-5, R-3 and R-4 classes shall also be reported.

2.4 **Report to the Chief Inspector of Explosives:**

In the case of serious explosions or conflagrations suspected to have been caused by explosives, dangerous or inflammable goods, the Divisional Railway Manager must send an XXR message to the Chief Inspector of Explosives and the Inspector of Explosives concerned.

2.5 **Report to Postal Authorities:** When an accident causes or is likely to cause.

- (i) delay of more than 6 hours to trains carrying mails; or
- (ii) diversion or transshipment of trains carrying mail; or
- (iii) loss or damage to mails; or
- (iv) death or injuries to Railway Mail Service staff.

The Divisional Railway Manager must send advice to the Railway Mail Service Superintendent concerned.

2.6 **Report to Commissioner of Railway Safety:** The Commissioner of Railway Safety, Western Circle should be given telephonic advice in case of the following accidents: -

- (i) Any accident to a Mail/Exp. or Passenger train, workmen's Special or Material train, resulting in loss of life and/or grievous injury (as defined in the Bharatiya Nyaya Sanhita, 2023- See Chapter 1) to any one traveling in the train and/ or damage to railway property to the value exceeding Rs. 2,00,00,000 (2 Crs) and every accident such as landslide, breaches or rain or flood or sand storm or derailment which causes interruption of any important through line of communication exceeding threshold value.
- (ii) Accident at manned level crossing involving collisions between trains, whether goods or passenger carrying, and road vehicles in which there is loss of life or grievous injury to passenger and others in the road vehicles.

- (iii) Collision and derailment of goods trains in which there is loss of life or grievous injury to any person. The telephonic advice should be given by PCSO / Dy. CSO(Tfc) / Dy.CSO (Mech) / Dy.CSO(S&T) / Dy.CSO (Engg) or in their absence by PCOM or any Officer nominated by the PCSO for this purpose.

2.7 Duties of Quick Response Team:

2.7.1 Setting up Emergency Cell in HQ:

- i. HQ Emergency Cell shall be opened immediately after receipt of information of the accident at HQ Office.
- ii. This unit will exercise control, co-ordinate and arrange supplementary assistance to the accident site.
- iii. It shall function from a separate room in NWR HQ Office “Disaster Management Room”, provided with centralized communication network, hot line to UCC (Unified Command Centre) and Divisional Emergency Cell.
- iv. In the absence of PCOM, CPTM (in his absence CFTM) will be over all in charge of the HQ. Emergency Cell and will function as Chief Emergency Officer for the purpose of managing relief and restoration operations from HQ Level.
- v. Requirements of all departments for movement of men and materials to the accident site from adjoining zones and divisions shall be conveyed to the Chief Emergency Officer, who shall arrange their movement.
- vi. HQ Emergency Cell will maintain:
 - Telephone and FAX numbers of the accident site. These should be maintained functionary wise for each functionary available in the UCC.
 - Similarly, telephone and FAX numbers of functionaries available in CAC (Combined Assistance Centre) should also be available with the divisional emergency cell.
 - Telephone and FAX numbers of Helpline Enquiry Booths that would have been set up at various stations on adjoining zones.
 - E-Mail addresses of UCC, CAC, Helpline Enquiry Booths and Divisional Emergency Cells set up on other Divisions of NWR.
 - E-Mail addresses of Emergency Cells opened on train originating & terminating Divisions & Zones and Safety Directorate Emergency Cell in Railway Board.
 - Names and phone numbers of hospitals where injured have been admitted/shifted along with number of patients.
- vii. HQ Emergency Cell will collect updated information regarding all aspects of the accident and pass on the same either telephonically or by E-Mail to:
 - Emergency Cells opened on other Divisions of NWR
 - Emergency Cells opened on originating and terminating Zonal Railways
 - Safety Directorate’s Emergency Cell in Railway Board
- viii. HQ Emergency Cell will monitor movement of ARMEs/ARTs etc. coming from adjoining Zones/divisions.
- ix. Assistance from Defence, Para military establishments, State Govts. Should be coordinated by HQ Emergency Cell as and when required. Officials to be contacted and their telephone numbers are indicated in this booklet.
- x. Chief Emergency Officer on duty shall chronologically record all information and instructions received or given in a log-book.
- xi. SDGM/CPRO shall monitor various important media channels to keep track of media reporting, Suitable corrections/clarifications may also be issued, if required.

2.8 Manning of Divisional/HQ Emergency Cell in shift duty:

- i. Divisional/HQ Emergency Cell shall be manned round the clock by Officers.
- ii. In addition to Officers of the Operating Department, there will be Officers of Engineering, Mechanical, S&T, Electrical, Commercial, Medical, Security and Personnel Departments in the Divisional/HQ Emergency Cell round the clock.
- iii. Divisional Emergency Cell will be manned by Senior Scale / Junior Scale officers of all departments in 12 hrs shift duties round the clock.

- iv. Similarly, HQ Emergency Cell will be manned by JA Grade / Senior Scale Officers of all departments in 12 hrs shift duties round the clock.
- v. Senior most officer of each Department who is available in the division/HQ shall be on duty in the Divisional/HQ Emergency Cell during the day shift (8 hrs. to 20 hrs.).
- vi. Senior most officer of each Department shall issue a 12 hrs roster for his own Department for the night shift (20 hrs. to 8 hrs).
- vii. Round the clock roster of 12 hr. shift duty should cover both Officers and supervisors.
- viii. Same officers and supervisors should be repeated each day without any change or rotation, for the next 4-5 days. This will maintain continuity and will ensure that experience gained on the first day can be gainfully used on subsequent days.

2.9 Telephone Numbers for Railway Accident information:

HQ of NWR and Ajmer, Bikaner, Jaipur and Jodhpur of North Western Railway are allotted 4-digit telephones No.1072 for giving Railway Accident Information. Normally these telephones will be manned by Punctuality Controllers. During Railway passenger train accident, the phones will be manned by disaster control cell to provide information to public regarding type of train accident, place and time of accident, train/trains involved, affected coach nos., injuries / casualties etc.

2.10 Group SMS message regarding first information of an accident/serious unusual occurrence.

(Ref: PCSO/NWR letter No. NWR/HQ/Safety/5/0/Vol.II dated 15.04.2011)

In case of an accident or a serious unusual occurrence on NW Railway the first information in respect thereof as received in emergency control room should be promptly conveyed by the Chief/Dy. Chief emergency controller on duty to the following officer through an SMS message in the format given below. After sending the message, telephone calls should be made to the officers listed No. 2 to 11 (excluding GM) and to other PHODs/CHODs concerned. Format for message is given below:

Format of the message

CHAPTER-3

GUIDELINES FOR COMMERCIAL DEPTT.

3.0 Railway Board instructions: Latest instructions issued by Railway Board for commercial department dated 18.09.2023 in concern of amount of ex-gratia for train accidents, untoward incidents manned level crossing gate accident, additional ex-gratia in relief in case of hospitalization and mode of payments of ex gratia are as:

2023/TC-III/49/1/Ex-Gratia

I/3077765/2023

GOVERNMENT OF INDIA (भारतसरकार)
MINISTRY OF RAILWAYS (रेलमंत्रालय)
RAILWAY BOARD (रेलवेबोर्ड)

Rail Bhawan, New Delhi-110001

No. 2023/TC-III/49/1/Ex-gratia

Dated: 18.09.2023

The General Managers (Claims)
All Indian Railways

Sub.: Ex-gratia relief payable in case of death/injury of railway passengers in Train Accidents and Untoward Incidents as defined under Section 123 read with Section 124/124-A of the Railways Act, 1989 and to the road users in Manned Level Crossing gate accidents.

Ref: Railway Board's previous instructions to be superseded:-

(1) 2011/TC-III/27/29/Ex-gratia dated 26.07.2012 and 07.05.2013
(2) 2006/TC-III/27/2 dated 20.12.2006
(3) 2002/TC-III/28/3 dated 12.06.2002
(4) 93/TC-III/122/1/Ex-gratia dated 21.08.1995, 26.04.1996 and 18.11.1999

In supersession of Board's Instructions referred above and all other instructions issued on the above subject, it has now been decided to revise the amount of ex-gratia relief to be paid to the dependents of dead and injured passengers involved in Train Accidents and Untoward Incidents as defined under Section 123 read with Section 124 and 124-A of the Railways Act, 1989 and to the road users who met with an accident due to Railway's prima facie liability at Manned Level Crossing Gate Accident. The revised rates and compiled instructions are as below:-

1. Amount of Ex-gratia for Train Accidents, Untoward Incidents and Manned Level Crossing Gate Accidents

	Type of accident	Amount of ex-gratia for Death	Amount of ex-gratia for Grievous Injury	Amount of ex-gratia for Simple Injury
1)	Train Accident (as defined under Section 124 of the Railways Act, 1989)	Rs. 5,00,000/- (Rupees Five lakh only)	Rs. 2,50,000/- (Rupees Two lakh Fifty thousand only)	Rs. 50,000/- (Rupees Fifty Thousand only)
2)	Untoward Incident (as defined under Section 124-A of the Railways Act, 1989)	Rs. 1,50,000/- (Rupees One lakh Fifty Thousand only)	Rs. 50,000/- (Rupees Fifty Thousand only)	Rs. 5,000/- (Rupees Five Thousand only)
3)	Accident at Manned Level Crossing (due to Railway's prima facie liability)	Rs. 5,00,000/- (Rupees Five lakh only)	Rs. 2,50,000/- (Rupees Two lakh Fifty thousand only)	Rs. 50,000/- (Rupees Fifty Thousand only)

2. Additional Ex-gratia relief in case of Hospitalization of Grievously Injured Passengers beyond 30 days

In case of Train Accident	In case of Untoward Incident
Rs. 3,000/- per day to be released at the end of every 10 day period or date of discharge, whichever is earlier.	Rs. 1,500/- per day to be released at the end of every 10 day period or date of discharge, whichever is earlier upto further six month of hospitalization.
	Thereafter, Rs. 750/- per day be released at the end of every 10 day period or date of discharge, whichever is earlier upto further five month of hospitalization.
<p>(a) Lump sum amount of ex-gratia for hospitalization of grievously injured passenger upto first 30 days is as mentioned in table at para (1) above.</p> <p>(b) The maximum period for which ex-gratia is payable to the grievously injured passenger will be 12 months.</p>	

2.1 This ex-gratia relief will be exclusively for passengers who are grievously injured in train accidents or untoward incidents as defined under Section 123, read with Section 124/124-A, of the Railways Act, 1989.

2.2 The period for treatment as indoor patient for more than 30 days would need to be certified by a Railway Doctor for the purpose of further ex-gratia payment upto the period of remaining 11 months. In case where the injured is taking treatment in other than Railway hospital, the treatment has to be certified by Railway Doctor.

2.3 Sr. Divisional Medical Officers shall also keep track of such injured person taking treatment in other than Railway hospitals. Sr. DCM/DCM shall keep coordination with Sr. DMO for the purpose and arrange payment of ex-gratia as per the prescribed schedule mentioned in the table in Para-2 above at the doorstep of injured person. Every care shall be taken by Sr. DCM/DCM to avoid any inconvenience to injured person in such cases.

3. Mode of Payment of ex-gratia/enhanced ex-gratia

3.1 Maximum amount of upto Rs. 50,000/- to be paid in cash as an immediate relief for taking care of initial expenses.

3.2 Remaining amount to be paid by Account Payee Cheque/RTGS/NEFT/Any other online payment mode.

3.3 Notwithstanding anything contained in Para 3.1 and 3.2 above, Railways may disburse the entire amount of ex-gratia/enhanced ex-gratia by Account Payee Cheque/RTGS/NEFT/Any other online payment mode, if deemed appropriate.

4. Other terms and conditions:

4.1 No ex-gratia relief would be admissible to road users in case of accident at Unmanned Level Crossing, trespassers, persons electrocuted by OHE (Over Head Equipment).

4.2 Ex-gratia payment in case of train accidents and untoward incidents are not to be taken into account at the time of final claim for compensation.

4.3 The amount of ex-gratia relief admissible to road users, who meet with an accident due to Railway's prima facie liability at Manned Level Crossing Gate Accident, will be counted towards the amount of compensation payable, if action is tenable against the Railways under the Law of Torts and an award is actually granted by a Court of Law.

4.4 Ex-gratia payments should also be made to railway servants killed or injured by a moving train while performing their duty, for example, gangman working on track run over accidentally by a moving train.

4.5 Payments should be sanctioned/arranged preferably on the spot by a Senior Scale Officer nominated by the General Manager after making such enquiries as can be reasonably made on the spot after the immediate needs by way of medical attendance etc. to injured persons are attended to.

5. This issues with the concurrence of Finance Directorate of Ministry of Railways.

6. These instructions will come into force from **18 September, 2023**.

Kindly acknowledge receipt of this letter.

CHAPTER-4

ROLE OF NDMA AND NDRF

4.0 National Disaster Management Authority (NDMA): It is constituted under the DM Act as the apex body in the country to deal with Disaster Management. Hon'ble Prime Minister is the ex-officio Chairperson of the Authority.

4.1 Powers and functions of National Authority:

The National Authority shall have the responsibility for laying down the policies plans and guidelines for disaster management for ensuring timely and effective response to disaster.

The National Authority may --

- a) Lay down policies on disaster management;
- b) Approve the National Plan;
- c) Approve plans prepared by the Ministries or Departments of Government of India in accordance with the National Plan;
- d) Lay down guidelines for the State Authorities to draw up the State Plan;
- e) Lay down guidelines to be followed by the different Ministries or Departments of the Government of India for the purpose of integrating the measures for prevention of disaster or the mitigation of its effects in their development plans and projects;
- f) Coordinate the enforcement and implementation of the policy and plan for disaster management;
- g) Recommend provision of funds for the purpose of mitigation;
- h) Provide such support to other countries affected by major disasters as may be determined by the Central Government;
- i) Take such other measures for the prevention of disaster, or the mitigation, or preparedness and capacity building for dealing with the threatening disaster situation or disaster as it may consider necessary;
- j) Lay down broad policies and guidelines for the functioning of the National Institute of Disaster Management;

4.2 Contact Details of NDMA control Room:

(<https://ndma.gov.in/about-us/Contact-us>):

Office	Phone	Fax	E-mail id
Control Room	011-26701728 011-1078	011-26701729	controlroom@ndma.gov.in

4.3 NATIONAL DISASTER RESPONSE FORCE (NDRF):

Coordination with NDRF:

Zonal Railways should get in touch with NDRF offices at the nearby locations to have the first-hand knowledge of the resources available with them and also to familiarize them with railway related disaster situations and expose them to the issues relevant to the rescue and relief of passengers during railway accident. **It has also been advised to associate NDRF in full scale exercise that is held once every year.** There are no charges for availing the services of NDRF except the rail transportation which railways may provide at their cost for attending to rail disasters. Railways may also have to provide rail transportation logistics for transporting NDRF even in case of non-railway exigencies.

Para 2.3.3 of DM of Railway Board 2019, RB letter No. 2003/Safety (DM)/6/3 dated 05.08.10 & 30.08.17 indicates that DRMs/PCSOs have empowered to directly requisition the relevant NDRF battalion for relief and rescue operations depending on the gravity of situation so that their services could be made available expeditiously without any loss of time. For requisitioning

of NDRF in times of a disaster, the Zonal Railways/Divisions have to approach Railway Board who will request NDMA to direct the NDRF Battalions to proceed to site. During meeting held on 26th July, 2010 between NDMA/NDRF and Railway Authorities, it was decided that the Railways would be associated in all future mock exercises being conducted by the NDMA and for which a copy of annual calendar of mock exercises will be provided by the NDMA and PCSOs will coordinate Zonal Railways' participation in such mock exercises.

4.4 Mutual Assistance in case of a Disaster:

As per the Disaster Management Act, various ministries and departments under Government of India should join hands for mutual assistance in case of a disaster. Assistance from local government and non-government agencies is invariably required by the railway administration for prompt relief and rescue operation in case of disasters affecting railways and therefore, assistance of NDRF could be of great help to the Railways. The rail infrastructure is not in an island away from the civil areas (of the Districts/States). In most cases of a disaster, other than a train accident, the State Governments as well as the Zonal Railways would, therefore, requisition the NDRF simultaneously (for the same disaster). Coordination amongst the affected agencies (Many Departments of the Central Government and the States) is very important before the help of NDRF is required.

4.5 Details of NDRF controls and battalions are as under:

4.5.1 NDRF Head Quarter (DG, National Disaster Response Cell, 6th floor, NDCC-II Building, Jai Singh Road, New Delhi-110 001)

Designation	Contact	Fax No.	E-Mail
Control Room	011-23438136	011-23438091	hq.ndrf@nic.in
Reception	011-23438017 011-23438019		

4.5.2 NDRF Battalions (<https://ndrf.gov.in/ndrf-units>):

Sr.	Designation and Address	STD Code	Telephone No.	Fax Nos.	Unit Control Room No.
1	Commandant, 6th BN NDRF Jarod Camp, Teh-Wagodia, Vadodara, Pin – 391510	02668	299201 9870006730	-	02668-299201
	Dy. Commandant, 6th Bn NDRF Nareli, Ajmer	0145	2627860 9414005412 9680924624	-	-
2	Commandant, 7th Bn NDRF Bibiwala Road, Bhatinda (Punjab)-151001	0164	2246193 2246570	2246570	0164-2246030

3	Commandant, 8th Bn NDRF. Kamala Nehru Nagar, Ghaziabad, UP- 201 002	0120	2766618, 9412221035	27666012	0120- 2766013
---	--	------	------------------------	----------	------------------

4.5.3 Area of responsibility: NDRF battalions has been assigned state-wise. A specific NDRF battalion is nominated for each zone for coordination purpose. Vide RB letter no. 2014/Safety (DM)/2/2/NDRF dated 09.12.2014 it is clarified by DIG (operation and training)/ NDRF, in case a disaster which warrants assistance from NDRF, the nearest battalion of the disaster site can be approached for deployment.

- Area of responsibility of NDRF 6th battalion includes of Rajasthan, Gujrat and MP.
- They have authorized strength of 1149 for NDRF. There are 18 specialist response team in the unit, each consisting of 47 numbers. Each response team will have a dog squad.
- Battalion has sufficient Transport facility. Special trains can be run, if no other faster means are available.
- Mock drills should be conducted to assess the capabilities.
- **In NWR jurisdiction, there is NDRF troops with trained staff placed at (Nareli) Kishangarh near Ajmer.**
- For seeking help from NDRF it can be asked directly by PCSO/DRM of Zonal Railways from NDRF control, NDMA Control.
- In Safety Directorate Control Room where Executive Director, Mechanical Engineering/Safety is Nodal officer to report the Accidents/Disasters.

NWR is in touch with NDRF 6th battalion (Gujarat) to have the firsthand knowledge of the resources available with them and also to familiarize them with railway related disaster situations and expose them to the issues relevant to the rescue and relief of passengers during railway accident.

4.6 Format for seeking NDRF help in case of disaster:

**The Commandant,
6th Bn NDRF, Jarod Camp
Teh-Wagodia,
Vadodara – 391510**

Sub: Request for deputing NDRF personnel for relief and rescue operations.

Dear Sir,

There has been serious accident on North Western Railway over ----- Division
on ----- station in -----section at-----hrs. on -----

From the information received till now it appears that the accident is of a serious nature and could lead to large number of casualties. Although Railways are making all efforts to take up relief and rescue operations, it is felt that the participation of the NDRF personnel could be of great help in speeding up the process and reducing casualties. In view of this you are requested to immediately depute adequate number of men from your battalion with necessary relief equipment to the accident site at the earliest. The movement of your battalion indicating the time and route of travel from place to the accident site may be intimated to the undersigned by E-mail/FAX so as to ensure adequate coordination. You are also requested to indicate the contact No. of the senior most personnel who will be travelling with the NDRF Group. Detailed information about accident is furnished herewith in separate enclosures in Ann.1.

**GOVERNMENT OF INDIA (BHARAT SARKAR)
MINISTRY OF RAILWAYS (RAIL MANTRALAYA) (RAILWAY BOARD)**

No. 2002/Sec. (Cr.)/45/47
11.12.2002

New Delhi, Dated

**The Home Secretary, Govt. of India,
Ministry of Home Affairs, North Block,
New Delhi.**

Sub: Expeditious clearance by the state police in a case of Railway accident.
Sir,

Your kind attention is invited to the subject mentioned above. In a case of rail accident involving loss of human lives or injuries to the passengers, railway administration does everything possible to render necessary assistance and succor to them. Efforts are made to rush rescue and medical apparatus to the site of accident without losing any time as the first few hours are very crucial.

But it has been noticed that rescue operations are hampered due to delayed, and at times, reluctant clearance by the State Police. This was evident in the recent Rajdhani Express in Bihar when it took them unduly long time to complete the formalities.

It may be pertinent to mention that there are two different tasks to be tackled on war footing, namely (a) Rescue and (b) Restoration

- (a) As regards rescue operations, they cannot obviously wait till legal formalities are completed as they involved saving human lives. But it appears that there is some confusion regarding the urgency of undertaking rescue operations. I would request you to reiterate instructions to the state Govt. on this point so that there is no delay in starting rescue operation. Needless to handling the situation. Besides providing medical aid, other facilities, which may be necessitated by circumstances at the site of the accident, may also be extended by them expeditiously.
- (b) As regards restoration of railway traffic, rule-provide that this can be taken up only after the clearance by the local police or GRP. In this regard it would be relevant to point out that a large number of passengers are unduly inconvenienced by disruption of rail traffic. It would, therefore, be in the best interest of the passengers to restore the rail traffic as fast as possible. But, its clearance, consequently delaying the restoration operations.

I would, therefore, request you to issue necessary instructions to the State Govts. to expedite clearance certificate in the event of a rail accident, so that normal traffic can be restored without avoidable delay.

(Dr. A.K. Pandey)
Director General/RPF/Railway Board

Requisitioning of Indian Air Force Aircraft/Helicopter

Railway Board letter No. 2002/Safety-I/6

Dated. 5-12-2006

Sub: Requisitioning of Indian Air Force Aircraft/Helicopter by Zonal Railways in case of serious Railways accident/natural calamities

Doubts have been raised from time to time by the Zonal Railways regarding standing instructions on the above matter.

The extracts of Air Force instructions No. 9/83 regarding Regulations Governing Flights and Airlifts in IAF Aircraft within Indian Territory is reproduced as under:

Para 9 (a): The use of IAF aircraft for civil agencies may be authorized by the Chief of the Air Staff on payment at rates which will be fixed by the Ministry of Finance (Defence). Such Flights may be provided on written demand for work like aerial photography, survey and other purposes, survey of air routes, carriage of mail, drop of supplies, carriage of urgently required stores, leaflet droppings, relief and reconnaissance flights, carriage of para military police forces etc. **“Such flights as errand of mercy, on payment at chartered rate without detriment to defence requirements, may also be provided for evacuation of seriously sick or injured civilians from inaccessible areas at the written request of the State Governments, Union Territory Admn. And other Central Ministries Departments as a life saving measures on an undertaking by such authorities that it is neither feasible by them nor any other means of civil air/surface transport is available for evacuation and the evacuation by the IAF will be at their risk and cost”**. The necessary of defence may sanction, on payment, urgent movement of civilian Govt. servants, Govt. servant and stores and equipment in IAF aircraft for various Ministries of the Central Government and for the State Government provided aircraft are available without prejudice to service requirements.

Para 9(d): Station Commanders of an above the rank of Wing Commander may authorize special flights of aircraft under their control to meet written request from Central Ministries/Departments/State Govt./Administration of Union Territories for assistance in any grave emergency or natural catastrophe. They will immediately advice concerned Command Headquarters. Such flights are to be regularized under the authority of the AOs C-in-C Command/Group in due course.

Attention is also invited to Railway Board letter of even number dated 13/15-06-2004 vide which GMs/DRMs have been delegated powers to requisition helicopter/aeroplane even from private parties (copy enclosed) to reach the site of serious accident for rescue operation expeditiously and to dispatch the rescue teams to the site of accidents.

Zonal Railways may take note of the above standing instructions and establish coordination with the appropriate Air Force authorities.

(AMITABHA)
Director Safety/Railway Board

7.4

GOVERNMENT OF INDIA (BHARAT SARKAR)
MINISTRY OF RAILWAYS (RAIL MANTRALAYA) (RAILWAY BOARD)
No. 2003/Safety (DM)/6/2Pt. New Delhi, dt. 06-01-2009

Sub: Definition of Railway Disaster and Co-ordination of Disaster Management Plans.

There has been no universal definition of a “Railway Disaster” (or a Disaster affecting / involving railway) though some of the Zonal railways did attempt to define the same in their respective Disaster Management Plans. These definitions also differ with one another with some linking a railway disaster with number of casualties. Some of the zonal railways have requested this office to clarify as to what incidents should be treated as a “Railway Disaster” and who should be the deciding authority for this purpose.

After considering the latest developments in the field of Disaster Management in the country especially the enactment of Disaster Management Act, 2005, Board have decided to adopt the following definition of railway disaster:

“Railway Disaster is a serious train accident or an untoward event of grave nature, either on the railway premises or arising out of railway activity in that area, due to nature or man-made causes, that may lead to loss of many lives and/or grievous injuries to a large number of people, and/or severe disruption of traffic, necessitating large scale help from other Government/Non-government and private Organizations.” Board have also approved the proposal to nominate either GMs, AGMs or PCSOs for declaring and untoward incident as Railway Disaster.

The preparation of the Disaster management plans on the zonal railways in co-ordination with the different departments or the railway, other Central/State Govt. agencies NGOs, Private agencies, etc. has to be done by the Safety department on the zonal Railway.

With the adoption of the above definition a railway disaster, it needs to be appreciated that not only a serious train accident may turn into a railway disaster if not handled and managed properly, there may be many more railway related events which may not even involve human lives but may turn into disasters for which necessary prevention and mitigation measures are to be taken by the railways beforehand. National Disaster Management Authority (NDMA), the apex body under the Disaster Management Act. 2005, have issued guidelines on the management of earth quakes, cyclones, floods, medical preparedness, chemical disasters, nuclear and biological disasters etc. Which are readily available on the NDMA website. Additional Member (Civil Engg.) has also written D.O. letters to the GMs for preparing the Action Plan for the implementation of these guidelines and to form a High-Level Multidisciplinary team comprising of officers from various departments to monitor the time bound implementation of these guidelines. Necessary monitoring and coordination for the preparedness of the railways for each type of disaster needs to be done by PCSOs/Sr. DSCOs on benefit the GMs/DRMs respectively involving officers from other departments for necessary inputs. Please acknowledge the receipt and advise the action taken on the above.

(Amitabh)
Director (Safety) Railway Board

7.5

GOVERNMENT OF INDIA (BHARAT SARKAR)
MINISTRY OF RAILWAYS (RAIL MANTRALAYA) (RAILWAY BOARD)

No.2002/Safety(A&R)/19/29
21.08.2009.

New Delhi, dated

Sub: -Authority for preparation of Accident Manual and Disaster Management plan.
Ref: -Board's letters of even number dated 25.04.2008 and 14.08.2008 and 31.12.2008.

Railways were advised earlier vide letters dated 25.04.2008 and 14.08.2008 to club Accident Manual and Disaster Management plan together as one document. However, vide letter date 31.12.2008, Board had advised the Railways that Accident Manual and disaster management plan shall be two separate documents, to be prepared by PCOMs and PCSOs of concerned Railways respectively.

The matter has been further examined in the Board. Board (MT) has given directives that the PCOMs of all Zonal Railways shall prepared and update their respective their Accident Manual.

The PCSOs shall, however, prepare the disaster Management plan. As a small portion of the disaster Management plan pertaining to serious Train Accident (when a Train Accident is classified also as a disaster) is common, this common portion is to be incorporated in the Accident Manual also. The PCSOs shall provide a write-up to the PCOMs on additional measures to be taken for handling train Accident, which gets declared as a 'disaster'.

The write-up should contain measures to be taken to tackle a disaster (specially a serious Train Accident) and have the telephone numbers and names of the persons to be connected in these cases. The PCOMs will then incorporate this write-up in their Accident Manual.

It has also been observed by the Board that the Accident Manuals of some of the Zonal Railway have been printed more than 15 years ago and have not been revised subsequently. It has been decided that that Accident Manual should be revised and updated periodically. A fresh printing through a new addition must be done at least once in 15 years.

Necessary action may be taken accordingly.

Joint Director/Safety
Railway Board

7.6

GOVERNMENT OF INDIA (BHARAT SARKAR)
MINISTRY OF RAILWAYS (RAIL MANTRALAYA) (RAILWAY BOARD)

No. 2003/Safety (DM) 6/3

New Delhi, dt. 02/5-08-2010

Sub: Assistance of NDMA/NDRF to handle Railway related Disasters

A meeting under the chairmanship of Shri K. M. Singh, Member, NDMA with Railway officials, DG/NDRF and senior officials of MHA was held in NDMA Bhavan, New Delhi on 26th July, 2010 for better coordination and cooperation between NDMA/NDRF and Railways authorities to provide quick and effective response during major Rail accidents, manmade and natural Disasters.

The issues discussed and decision taken during the meeting are as under:

- (i) Commandant of NDRF located closed to Divisional Headquarters may be called along with a few of his personnel to see ART/AMRE equipment inside them.
- (ii) Features of different type of coaches (AC, Non-AC), Freight rolling stocks, Features of new designed coaches/Wagons, specially BTPNs and TPs used to carry inflammable products and dangerous Chemicals.
- (iii) Regular Coordination meeting may be held between NDRF Battalion Commandants and the PCSO's and the representatives of the Division (DRM's or in his absence the ADRM/Sr. DSO). Regular coordination meeting be held once every six months. 6
- (iv) The present system of requisition of NDRF by concerned DRM/PCSO should be continue. However, a written requisition from the Railways authorities for NDMA/NDRF should be followed for their records.

Railway should initiate action accordingly.

**GOVERNMENT OF INDIA (BHARAT SARKAR)
MINISTRY OF RAILWAYS (RAIL MANTRALAYA) (RAILWAY BOARD)**

No. 2009/Safety(DM)/6/14

Dated 09.07.2015

Chief Safety Officer,
East coast Railway

Sub: Annual review and updation of Disaster Management Plan.

Ref: Your office letter no. ECOR/SFY/DM/527 dated 16.06.2015

- 1- East Cost Railway has referred to Railway Board regarding the need for printing DM plane every year in light of the fact that not many changes are carried out in the instruction/procedure indicated therein.
- 2- As per Disaster management Act, 2005 every Ministry or the department of government of India has to review and updated annually their DM plan. The same instructions were envisaged in the DM plan of Ministry of Railways. Further the Act does not stipulate that the plan should be published every year, It only indicates that the plan needs to be reviewed and updated annually.
- 3- Board has reviewed these instructions and decided that:
 - a. The DM Plan of the Zone/Division should be in two parts.
 - b. The first part should contain the general information, duty list, role and responsibilities of various departments, guidelines issued by NDMA and Railway Board etc.
 - c. The second contains information about the important telephone numbers of respective Zone/Division, contact details of para military forces, state administration, hospitals, bus depots, fire services, NGOs, earthmoving equipment etc.
 - d. The first part of DM plan should be reviewed and updated as and when fresh instructions were received from NDMA or railway board or any other concerned organisation. This part need not be published /printed every year.
 - e. Second part which generally consists of the contact details should be updated annually and the same should be circulated to all concerned. Corrections /additions /deletions to the first part may be incorporated in this as a correction slip.
 - f. Zonal Railways may decide to publish/print first part whenever the necessity is felt.

The above instructions may please be followed during future review/updation of disaster management plan.

(COMMISSION OF RAILWAY SAFETY)**

No.2-5(1) B/2016/1166

Dated

28.12.2016

Sub: Preservation of evidence during accident.

The Railway should preserve various clues and evidences after the accident before restoration of the site. In this regards the following must be ensured.

- 1- Videography of entire stretch of accident including the rail fittings, upto one km. Before the disturbed site for each rail separately.
- 2- Videography of the truck separately for each rail.
- 3- Videography of each rolling stock so as to understand the position of rolling stock after the accident vis-a-vis track and the other adjoining rolling stock.
- 4- Videography of item/components of rolling stock/track before the point of drop and after the point of drop, duly indication their location.
- 5- Videography of broken components with close-ups.
- 6- Videography of all clues/evidences, track and rolling stock.
- 7- Operating panel position.
- 8- Data logger Reports.
- 9- Action reported by loco pilot duly cross- verified by speedometer chart and brake application details.
- 10- The officers /supervisors preparing joint Note at the accident site should be told to specially cover all the parameters as per accident manual including the distances of various components, fitting laying at different locations. This will include the displacement of wheel of the rolling stock from the track.

You are requested to please ensure the above items are compiled under the supervision of the shifting/lifting of any rolling stock for providing the relief of passengers is done, the same should be recorded in the joint Note duly mentioning the reasons.

भारत सरकार (GOVERNMENT OF INDIA)

रेल मंत्रालय (MINISTRY OF RAILWAYS)

रेलवे बोर्ड (RAILWAY BOARD)

No.2003/Safety(DM)/6/3

New Delhi, Dated: 30.08.2017

**Chief Safety Officer
North Frontier Railway**

Sub: Assistance of NDMA/NDRF to handle Railway related disasters.

Ref: Your office letter no. T/308/DM/2/2014/16 dated 16.08.2017.

Vide letter under reference, North Frontier Railway has requested Railway Board to seek assistance from NDMA for arranging of motorboats in Katihar Division for restoration of breach/wash outs due to floods.

Based on the above communication Railway Board had sort assistance from NDRF headquarters and motorboats were arranged from ninth battalion of NDRF. However it is to clarify that as per the prevailing instructions, DRM and CSO can directly seek assistance from the NDRF. These instructions were issued vide Railway Board letter no. 2003/Safety(DM)/6/3, dated 05.08.2010.

Para 5.2 of Disaster Management Plan of Ministry of Railway, issued in April 2016, indicates that DRMs/CSOs have been empowered to directly requisite the relevant NDRF battalion for relief and rescue operations depending upon the gravity of the situation so that their services could be made available expeditiously without any loss of time.

Board instructions in this regard may please be incorporated in the Disaster Management Plan of NF Railway and all concerned may please be advised accordingly.

7.13

Station Disaster Management Plan

1. Type of Disaster that can occur at Railway station:

S. No	Category	Type of Disaster
1.	Human/Equipment Failure	i. Collision ii. Fire in train. iii. Accident at LCs iv. Stampede
2.	Natural Calamity	i. Earth Quake. ii. Flood/Breaches. iii. Storm/Cyclone iv. Tsunami/Tornado. v. Land Slide.
3.	War/Terrorist attack	i. Bomb Blast ii. Missile attack. iii. Chemical Attack. iv. Setting Trains on fire.

2. Resources available with station staff: There is scanty staff posted at stations. They are deputed at stations to handle train operations and for day-to-day maintenance of station and surrounding. Therefore, they may not be able to deal with such situation on their own, however, they may take preventive measures to by communicating the type of disaster and extent of damage. They have to carry out responsibility as –

a) Cabin men (where available)

- In case of an accident, he shall first put back the related signals to ON position immediately and put stop collars on the relevant points.
- He shall reverse the points against the train involved in the accident.
- He shall not temper with the interlocking system.
- He shall preserve clues and evidences.
- He shall keep readily available all the cabin records and do not temper the entries made in train passing records.
- He shall be in close contact with SM on duty and strictly obey the orders/instructions.
- He shall not leave the cabin without his reliver and without permission of the competent authority.

b) Pointsmen

- He shall pilot the first train while dispatching as per instructions from on duty SM/SS.
- He shall report the position of the adjacent line whether it is faule or not and also ensure clearance of fouling mark.
- If train caught fire, he shall ring the bell continuously to inform ON & OFF duty staff and then use fire extinguishers, water buckets, sand buckets provided at the station to extinguish the fire.

3. Availability of Station Approach Road Map – Every station should have a proper station approach road map alongwith its GPS coordinates so that the same can be made available to the assistance / service providers as required.

4. Modes of communications available at station:

- Block telephone/auto phone to communicate with adjoining stations.
- Gate telephone to communicate with adjoining LCs.
- VHF set/walky-talky to communicate with LP and guard.
- Control Phone/auto phone to communicate with divisional control.

- e. DOT (BSNL)/Mobile phone to communicate with civil authorities and service providers.

5. Action to be taken by Station Superintendent/Station Master at the time of Disaster:

- i. Communicate to adjoining station for not to dispatch any train to affected station.
- ii. Communicate to adjoining gateman of mid-section to stop any approaching train.
- iii. Communicate with LP and guard of approaching train to stop where it is and not to proceed further.
- iv. Communicate to Chief Controller/Sectional Controller, who will further inform DRM/ADRM and all BOs at divisional office.
- v. Protect the site as well as of adjacent lines.
- vi. Preservation of clues and evidences.
- vii. Communicate to the followings:
 - a. Civil Authorities
 - b. Fire Brigade
 - c. Hospital and Ambulance (Govt. & Pvt.)
 - d. Local Police for crowd management.
 - e. Local Administration
 - f. NGOs
 - g. Local MP/MLA
 - h. Civil Defence.
 - i. NDRF/SDRF.
 - j. RPF/GRP
- viii. Specific requirement in terms of service providers: -
 - a) Crane/JCB/Earth Movers service.
 - b) Transport service.
 - c) Catering service.
 - d) Gas Cutting Equipment.
