- c) Monitoring of various streams of traffic.

Passenger:

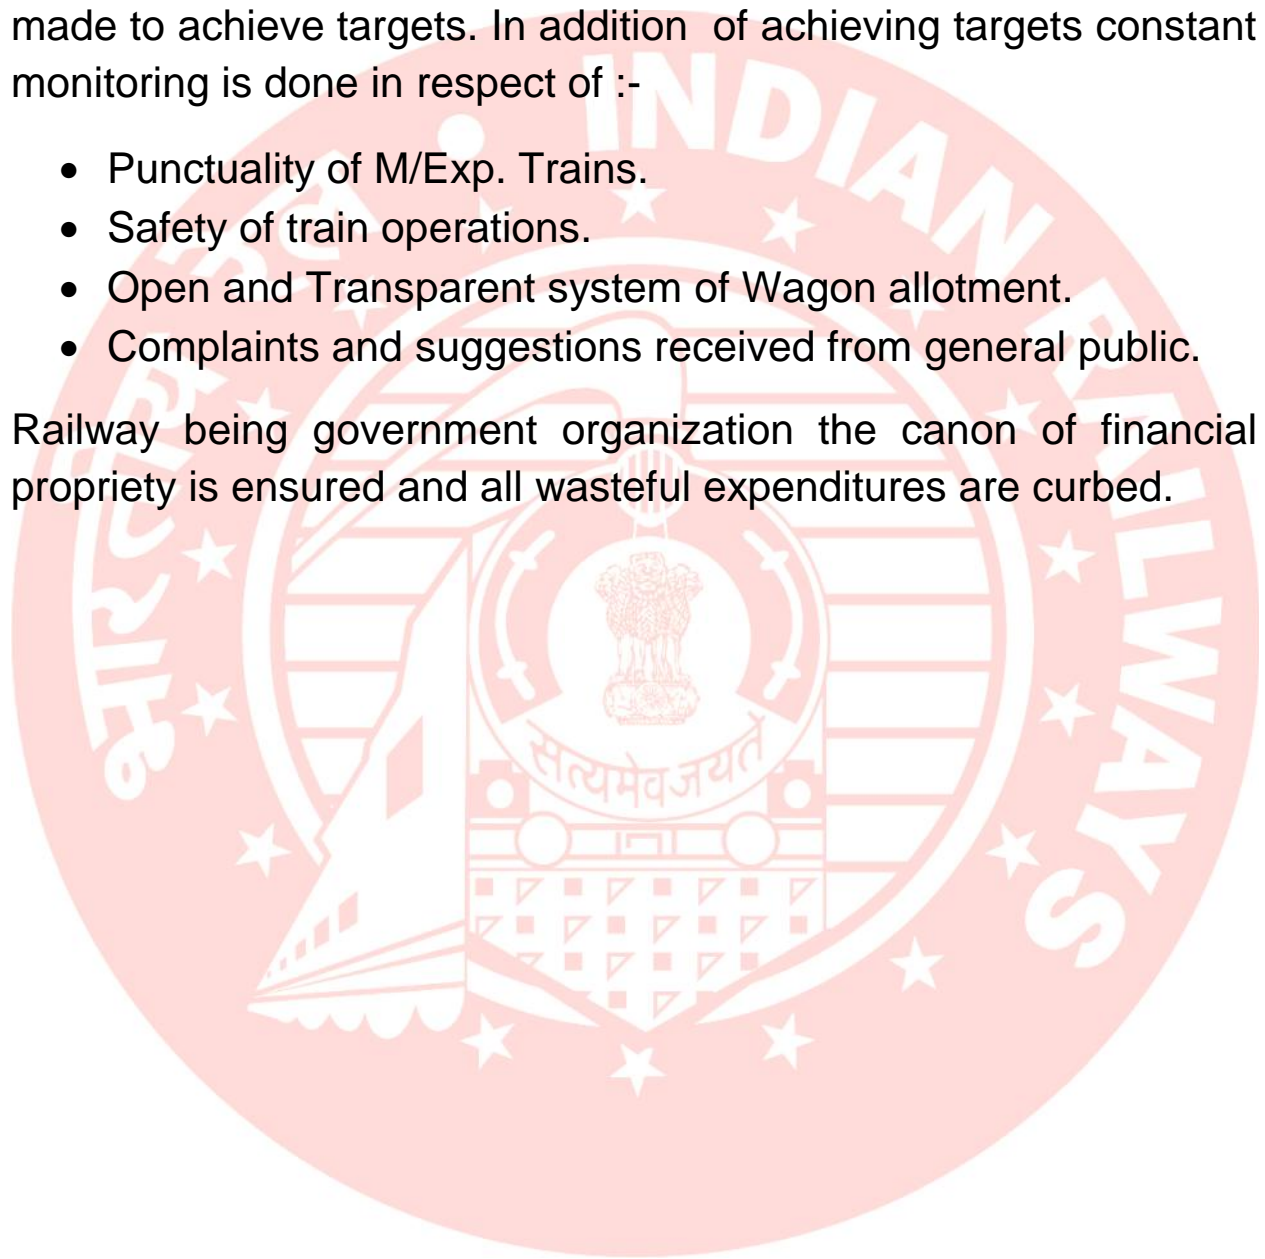

- a) Monitoring of composition of M/Exp. & Passenger trains.
- b) Monitoring of Punctuality performance of M/Exp. & Passenger trains.
 - No. of trains running right time.
 - No. of trains not losing time.
 - No. of trains reaching destination up to 15 min. late.
- c) The decision for overall improvement of freight and operations is done keeping in mind following aspects:-
 - Receiving of proposals.
 - Scrutiny of proposals.
 - Site inspection.
 - Discussions among the staff & officers.
 - Analysis of operating and earning datga.
 - Final decision.

NORMS SET BY IT FOR DISCHARGE OF ITS FUNCTION

Every year Operating & Earning targets are decided by Railway board and conveyed to Headquarter & Divisions. All efforts are made to achieve targets. In addition of achieving targets constant monitoring is done in respect of :-

- Punctuality of M/Exp. Trains.
- Safety of train operations.
- Open and Transparent system of Wagon allotment.
- Complaints and suggestions received from general public.

Railway being government organization the canon of financial propriety is ensured and all wasteful expenditures are curbed.
