

STI Ajmer

System Technical School Ajmer (Supervisors Training Centre, Ajmer) renamed as Specialized Training Institute, was inaugurated on 10th of July 1957. Ajmer City was chosen for establishing a Specialized Training Institute, as it is the only city where all the important workshops of then Western Railway are situated i.e. Diesel Locomotive workshop, Wagon shop, Carriage shop, Electrical Power House, Electric Production Workshop and Signal workshop.

Specialised Training Institute, Ajmer is one of the most prestigious training centres of Indian Railways. It has the pride of imparting training to all Supervisors of North Western Railway and Western Railway of Mechanical & Electrical Departments.

About us

The training institute is presently engaged in training for the supervisors under the following classification

- 1) Initial training
- 2) Promotional training
 - (i) Intermediate
 - (ii) Promotee
- 3) Refresher training
- 4) Special training

The duration of the above program is as per the training module issued by Railway board in 2020 and 2022 for mechanical and electrical supervisor respectively. An officer is designated as Principal/STI, is assisted by a number of Sr. Lecturer/Lecturer etc., who is responsible for training activities.

The training institute is one of the main training institutes for North Western and Western Railway. As such it is governed by the rules, regulations and instructions of Govt. of India controlled by NWR Headquarter Jaipur.

The training institute consists of 08 class rooms, 06 labs (RAC, C&W, Diesel, Welding, Electrical & Computer) and a technical library. This training institute has a double storey hostel building with capacity of 110 beds, big hall used as recreation room.

The product of STI/All is training which is given to various categories of Mech./Elect. Supervisors of N.W. Rly. / W. Rly. The customers of STI/All are Sr. DME's and Dy. CME of all division, diesel loco sheds and workshop of Western & North Western Railway.

AIMS

Our country has a tremendous scope for continuous growth in the field of Railway transportation with the positive competition with road transportation. Hence technology up-gradation, improved productivity, enhanced safety are the key to take over the challenge of growth in the true spirit. The training is the only mode which can prepare the newly inducted railway supervisors for making them a positive asset to the organization.

- More-over the refresher courses are meant for updating the knowledge of the supervisors representing the middle management as per the latest technical instructions from R.D.S.O. and Railway Board from time to time. The supervisors are trained with the instructions to enable them to implement the same in the field with the best of its spirit.
- Further the field units are having their own needs for imparting training in various fields like Welding Technology, Supervisors Development Programme, Computer, internal quality audit Course plan for ISO and pre-selection training of the reserved candidates appearing in LDCE examination.

OUR OBJECTIVES

The main objectives of Specialized Training Institute, Ajmer is to upgrade the –

- A) Knowledge, skill and positive attitude as per the need of Railway Organization.
- B) To upgrade and refresh the supervisors with latest development in C&W DSL, Electrical maintenance practices to be implemented in the field.
- C) To promote safety consciousness, professional competency.
- D) To development quality skill in day to day working.

Faculty

Name of Faculty (S/Shri)	Desig.	Date of Joining at STI	Qualification	Subjects being taught	Specialization
Suraj Singh	Dy. CCMT Administrative Incharge	22.09.22	BE (Metallurgy), BE (Chemical), M.Tech.(P.E.) NABL Auditor as per ISO 17025	-	-
Amar Chand Gaharwal	Principal	22.08.22	Degree in Mech. Engg.	-	-
Mahesh Kumar Sharma	Sr. Instructor	03.12.15	Dip in Mech Engg.	Accounts, ROMD, Supervisors Skill, Material Science	IMS, Ethics in public governance
Laxmikant Sethi	Sr.Instructor	15.11.19	BE in Mech. Engg.,	TOM, Engineering Material (Electrical), Safety and First Aid, Applied Mechanics, Workshop Theory	-
Harshvardhan	Sr. Instructor	01.11.21	Dip in Mech Engg., AMIE (Sec. A & B)	SOM, Industrial Engineering, Workshop Theory.	-
Narendra Singh	Sr. Instructor	09.11.19	BE in Mech. Engg., MBA	Electrical Engineering & Train lightening, RAC, Electrical Engineering all subject to JE (Electrical)	-
Prince Yadav	Sr.Instructor	15.11.19	BE in Mech. Engg.,	Hydraulic, Welding, Coaching, Wagon	Welding
Abhishek Kumar	Sr. Instructor	10.01.20	BE in Mech. Engg.,	Wagon, ROM, Computer, Tech. English	Computer
Rahul Srivastava	Sr. Instructor	29.11.21	BE in Mech. Engg., PGDM (Operations)	Tender Contract, Store, Accident and Disaster, Coaching,	-
Deepesh K. Mourya	Sr. Instructor	01.11.21	BE in Mech. Engg.,	Mfg. Process, Drawing, Machine Design and Drawing	-
