The chart is a vertical flow diagram. At the top is an orange box for the Sr. Divisional Operation Manager. A horizontal line below it branches into two arrows pointing to two green boxes: Divisional Operation Manager (Freight) on the left and Divisional Operation Manager (General) on the right. An arrow from the Freight box points down to a blue box for the Asst. Operation Manager (G & C). Finally, an arrow from the Assistant Manager box points down to a yellow box for the Traffic Inspector, Station Suprintendent, Station Master, and other Operating Staff.
